### 1 Welcome

Clint welcomed the group to the Section 11 meeting.

### 2 Apologies

Apologies were received from Graham Gardner, Janis Patterson, Christine Roseblade, Gary Stephenson, Colin Slater, Anne Wilmott, Alan Darley and Penny Wallace. Ben Marston has resigned due to move to Oxford.

### 3 Finalisation of the Parish Profile

A great deal of work has gone into the text of the Parish Profile and it was agreed that we would look at it together so that it could be finalised by the end of the meeting. Unfortunately, after three hours, the computer crashed and didn't save the work. Ryan managed to get a back up from half way through the meeting but the group decided to email Clint with their updates and he would incorporate them and send around a new version. The Section 11 form would be signed and sent back noting that the Parish Profile was not finalised during the meeting.

Group to forward comments to Clint.

Ruth to complete and post Section 11 form.

### 4 Appoint Parish Representatives

Clint suggested that the Parish Reps were often the wardens and that he and Penny were happy to stand. There was no objection or other name put forward. Paul proposed that Clint and Penny would be the Parish Representatives for the Vacancy and Judith seconded it. 8 members voted for this and 1 abstained.

**5 Decide whether to consider resolutions under Ordination of Women Measure**

It was unanimously decided at an earlier meeting that the PCC and DCC were happy to accept a woman or man incumbent. There were no requests to revisit this question.

**6 Decide whether to ask CPAS to advertise this post**

Clint proposed that we ask CPAS to advertise the vacancy. This was approved unanimously.
