
CHRIST CHURCH, CHILWELL,

PCC MEETING SUMMARY

7.30pm, Thursday 5th July 2018

Associate minister

PCC approved a job description and person specification for a new role of Associate Minister. The post will be advertised shortly with interviews to be held in mid-September.

Finances

In the first six months of 2018 expenditure has exceeded income by £15k. Personal giving is fluctuating month to month, and is currently above the projected level in the budget, but running costs are higher than expected.

CAP centre

George Russell informed the PCC of his intention to retire in December 2018. The CAP centre has seen many clients come to faith but concerns were raised about the financial liability and the availability of someone to take over the work. The future of the CAP centre will be discussed at September's PCC meeting.

International link

PCC voted in favour of entering discussions regarding a diocese-to-parish link with North West Ankole diocese in Uganda.

GDPR

PCC approved Church Suite to be the official database of people connected to Christ Church. Gary Stephenson has conducted an audit of data held.

Fabric matters

Reorganisation of the side rooms has proceeded to plan. PCC approved the purchase of acoustic tiles to dampen noise in the small hall. Quotes for a replacement church boiler are being obtained.

If you would like more information then please speak to a PCC member.
