
CHRIST CHURCH, CHILWELL

PCC MEETING SUMMARY

7.30pm, Tuesday 5th February 2019

Financial report 2018

Gary presented draft accounts for 2018 which will now be passed to independent examiners to construct the statutory accounts ahead of the APCM meeting. Finances for 2019 have been boosted by pledges of extra giving from new and existing givers. Gary is willing to serve as treasurer for 1 more year but he is willing to train a new recruit over the coming year. Could this be you?

CYM placement

The parish has been approached by St John's College about hosting a CYM student who would conduct 7 hours per week of ministry as part of their course. The PCC approved the placement for the remainder of this academic year with an option to extend into 2019/20 if desirable. The student would be line managed by Katrina.

Internships

The PCC is delighted that Emily MacDonald wishes to remain an intern in 2019/20. The staff team are exploring various schemes that would enable this to happen. There remains the possibility of recruiting another intern.

Associate minister

The PCC agreed, in principle, to the post of an associate minister who would have oversight of operational matters. A draft job description and person specification is being drafted by Colin Slater, Anne Willmot, Phil Hewitt and Andy Tufnell. More will be explained at the APCM.

Electoral roll and APCM

Individuals wishing to be on the electoral roll from April 2019 are required to register using the forms at the back of church. This applies to everyone, even those on the current electoral roll. This gives voting rights at the Annual Parochial Church Meeting at 7.30pm on 1st April.
